Scope of delivery
1x LED light
3x AAA battery

Product overview
1 LED light
2 Battery cover
3 AAA battery
4 Battery case
5 Snap hook
6 Magnet
7 On/off switch

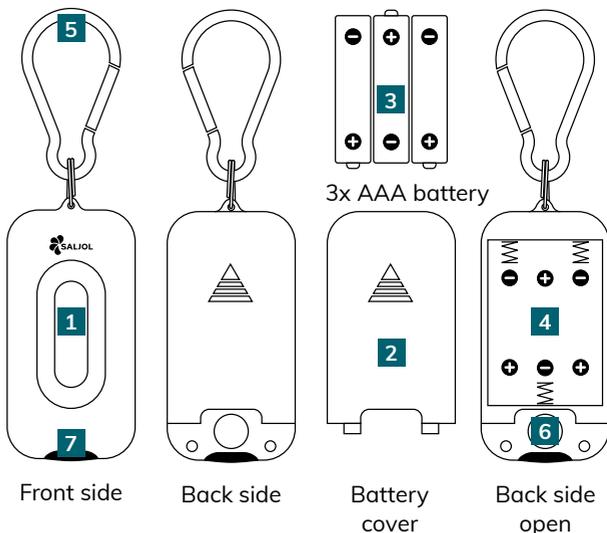

Article number: 4058789013090

Commissioning

Carefully remove the battery cover (2) on the back of the LED light in the direction of the arrow. Insert three AAA batteries (3) into the battery case (4), make sure that the polarity is correct. Close the battery cover (2) again, making sure that it is secure and tight.

The LED light can be attached to the loops of Saljol rollator bags at the front or back by using the snap hook (5).

Use the on/off switch (7) to turn the LED light on and off.
